

High School Resume

Academics

- 4.03 weighted GPA
- 3.5 unweighted GPA
- Took several AP courses and challenged myself with harder classes throughout high school.
- Student in the Medical and Health Specialties Program at Maury High School.
- Participated in Medical and Health Specialties tutoring sessions, where students helped each other with schoolwork and difficult subjects.
- I was able to keep up with my schoolwork while also working, volunteering, and being involved in school activities.

Work Experience

Chick-fil-A

- Worked at Chick-fil-A throughout high school.
- During my junior/senior year, I worked around 30 hours a week.
- I learned how to work with customers, communicate with coworkers, and handle a busy work environment.
- I had to manage my work schedule while keeping up with school and my other responsibilities.
- Working throughout high school taught me how to be responsible, show up on time, and stay committed to something even when I was tired or busy.

Orapax

- Also worked at Orapax during high school.
- During my junior year, I worked around 15 hours a week at Orapax while also working at Chick-fil-A.
- This meant I was working around 45 hours a week between both jobs while still going to school.
- Working two jobs at the same time helped me improve my time management and taught me how to balance different responsibilities.
- Gained more experience with customers, coworkers, communication, and working as part of a team.

Community Service

- Completed 300+ hours of community service during high school.
- My service has included helping with community programs, landscaping, environmental projects, local history, and church activities.
- I have tried to volunteer with different organizations instead of only doing service for school requirements.

GEAR Recovery

- Volunteered with GEAR Recovery, a community nonprofit based in Diggs Park.
- Helped with community activities and projects that support people in the local area.
- Worked with other volunteers and community members to help improve the area.

VA Legends

- Volunteered with VA Legends, a nonprofit that focuses on the history of Virginia and important people and leaders who came from Virginia.
- Helped support an organization that teaches people more about Virginia's history.
- This gave me a better understanding of the history of my state and the people who helped shape it.

Outsey Cuts LLC

- Volunteered with Outsey Cuts LLC, a nonprofit landscaping organization.
- Helped cut grass and maintain yards for people who may not have been able to afford the work themselves.
- Got to do hands-on work while helping people in the community.
- This taught me that community service does not always have to be complicated. Sometimes helping someone with something as simple as their yard can make a difference.

Surfrider

- Participated in Surfrider's recycling and environmental activities.
- Helped with recycling and keeping the community and environment cleaner.
- Worked with other students and volunteers on environmental projects.

Church Service

The Mount Portsmouth

- Volunteer at The Mount Portsmouth for around 2–3 hours every Sunday.
- I have also helped with church activities outside of Sundays when I was needed.
- Help with different church activities and do whatever needs to be done.
- Volunteering at church has been something I have stayed committed to throughout high school.
- This has helped me become more responsible and comfortable working with different people.

Leadership & School Activities

Medical and Health Specialties Club

- Former Vice President of the Medical and Health Specialties Club at Maury High School.
- Helped support other students in the program.
- Participated in tutoring sessions where students could get help with their schoolwork.
- Worked with other students and helped create a supportive environment for people interested in healthcare.
- This experience also gave me more experience with leadership and working with other people.

Yearbook

- Served as an Editor for the Yearbook.
- Helped work on the yearbook and make sure important school events and memories were included.
- Worked with other students on different parts of the yearbook.

- Learned more about organization, creativity, communication, and working with a team.

- 4.03 weighted GPA
- 3.5 unweighted GPA
- 300+ community service hours
- Worked throughout high school
- Worked two jobs at the same time during junior year
- Around 45 combined work hours per week during junior year
- Former Vice President of Medical and Health Specialties Club
- Yearbook Editor
- Medical and Health Specialties Program student
- Completed rigorous AP courses
- Participated in Medical and Health tutoring
- Volunteer at The Mount Portsmouth every Sunday
- Volunteer with GEAR Recovery
- Volunteer with VA Legends
- Volunteer with Outsey Cuts LLC
- Volunteer with Surfrider
- Volunteered with Operation Smile
- ASL club
